

MURMUSHI PEOPLE'S DEVELOPMENT FOUNDATION

ORGANIZATIONAL PROFILE

Murmushi People's Development Foundation (MPDF)

Summary:

Murmushi People's Development Foundation (MPDF) is a dynamic, integrity-driven Nigerian non-governmental organization (NGO) with its headquarters in Jimeta-Yola and a branch office in Mubi North LGA, Adamawa State. While registered to work across the country, MPDF's current strongest operational footprint is in Adamawa State, where it has implemented a wide range of humanitarian and development initiatives across most Local Government Areas (LGAs) and all the 226 wards of the state. Since 2017, the organization has delivered impactful programs in peacebuilding, governance, health, nutrition, WASH, education, livelihoods, protection, and climate resilience, ranging from targeted community interventions in LGAs such as Mubi North, Mubi South, Michika, Hong, Gombi, Demsa, Yola South, Girie, Madagali, and Bole communities to large-scale, state-wide operations such as COVID-19 palliative distribution and the Murmushi Almajiri Support Initiative. With extensive local partnerships and a growing portfolio of impactful projects, MPDF stands out as a capable and reliable partner for transformative development in Nigeria.

Vision

To be a reputable, capable, and reliable NGO dedicated to building a future where all Nigerians, especially the vulnerable, have equal opportunities, access to services, protection, and participation in governance within 10 years.

Mission

To improve the quality of life for Nigerians, especially the vulnerable, by ensuring dignity, protection, and active participation in the country's sustainable development and governance processes by 2035.

Goal:

Work towards a more equitable and prosperous society where every Nigerian (more especially women, girls, children, people living with disabilities, the elderly, and vulnerable groups) can lead a dignified life and participate fully in the country's sustainable developments and governance processes before 2050.

Strategic Objectives

- Transform gender inequality and promote human rights.
- Advocate for equitable policy changes and social justice.
- Improve access to education, healthcare, and WASH facilities for all.
- Address climate change impacts, strengthen community resilience, and improve agriculture.

Core Value

- Integrity
- Transparency
- Accountability
- Responsibility
- Punctuality
